

A hundred years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove... but the world may be different because I was important in the life of a child.

- Forest E. Witcraft

The Calcutta Emmanuel School is a full-fledged ISC affiliated English medium school. We first started with a few street children in 1978, with a vision is to serve the poorest of the poor in Kolkata (West Bengal, India). Today, our children continue come from families that struggle to provide a secure and stable home to their wards. Many of them are unable to even eat a meal every day. But they too have a deep desire to fulfill their dreams and broaden their horizons.

We believe that each child is made in the image of God.

Our mission is to offer a safe environment and holistic care to all our children. By enabling transformation in their lives, we hope that these children will lead their communities out of pitfalls of poverty.

Encourage a child to have a dream!

Our trained and committed teachers and staff provide essential support and care to vulnerable and marginalized children. By sponsoring a child, you can secure the future of someone who would otherwise not be able to nurture their dreams.
